First African Methodist Episcopal Church, Los Angeles is the oldest church founded by African Americans in the City of Angels. In 1872 Ms. Biddy Mason received the vision from God to establish a church that would minister to the mind, body and soul of all who would join that small band of believers. That vision and small band of believers has grown to what is now a congregation of several thousand members and numerous ministries within 13 corporations that bless and reach tens of thousands of seekers in greater metropolitan Los Angeles.
